

MADRID ROMERO
B O D E G A

WHITE LIQUEUR WINE

This wine is an acknowledgment that Bodega Madrid Romero has wanted to make to the sweet wines that have traditionally been made with native grapes from the Spanish Levante. It is a perfect wine for any aperitif or desktop.

Bodega Madrid Romero makes these wines in homage to these two typical varieties of the Spanish Levante. The grapes used for its production come from outside the Jumilla area and are bottled by hand.

TASTING NOTE

It is a very powerful, round wine with a very marked character. Specials to take as an aperitif such as Madrid Romero White Liqueur Wine to awaken the sense of taste due to its intense flavor and the sense of aroma due to its floral fragrance. Golden yellow color, bright and amber. Good entry into the mouth with hints of peach and citrus, especially mandarin. Ideal with foie entrées or as a dessert, especially pastries.

ALCOHOLIC GRADE: 15% VOL.
